Action Memo

To: Commissioners Arnett, Deshmane, and Grant
From: Kurt Wank – Director of Utility Operations
Date: November 14, 2023
Re: **Approve Professional Services Agreement with IVOXY Consulting**

Requested Action: APPROVE PROFESSIONAL CONSULTING SERVICES AGREEMENT WITH IVOXY CONSULTING FOR IT SUPPORT SERVICES, AND AUTHORIZE THE GENERAL MANAGER TO EXECUTE THE AGREEMENT.

Background: Whatcom PUD previously executed a Professional Consulting Services Agreement (“PSA”) with IVOXY Consulting (“IVOXY”) on April 29, 2022. The PSA will expire on its own terms December 31, 2023.

As a public entity providing utility services, Whatcom PUD, like other public entities, may be subject to many types of cybersecurity attacks or efforts to hack into its digital systems, both administrative and utility systems related. The PUD has and will continue to seek and retain qualified consultants to assist staff in securing those systems. By necessity, this will be a continuous ongoing effort.

As technologies evolve, the PUD strives to incorporate those evolving technologies into its IT systems at a rate appropriate for the industry. IVOXY works with many public utilities and has vast expertise in the proper implementation of a wide range of IT solutions. As such, they are able to provide IT Support services for many technologies the PUD uses, as well as others it is pursuing.

Under the Agreement, the Consultant’s general scope of services will include the performance of tasks focused on maintaining and improving the cybersecurity, IT infrastructure, and cloud solutions associated with Whatcom PUD’s systems related to its electric and water operations and administrative services.

Whatcom PUD has received approval for two projects through the State and Local Cybersecurity Grant Program (SLCGP). It is anticipated that if the Agreement with IVOXY is approved, then the specific scope of services for the first work order will be for IVOXY to perform work related to the implementation of the first of those projects.

If approved, the term of the new PSA would extend through December 31, 2025.

Fiscal Impact: Whatcom PUD’s planned 2024 Annual Budget includes sufficient funds to cover work to be performed by IVOXY Consulting under the Agreement during this calendar year.

Recommended Action: APPROVE PROFESSIONAL CONSULTING SERVICES AGREEMENT WITH IVOXY CONSULTING FOR IT SUPPORT SERVICES, AND AUTHORIZE THE GENERAL MANAGER TO EXECUTE THE AGREEMENT.

**STANDARD AGREEMENT
FOR PROFESSIONAL CONSULTING SERVICES**

THIS AGREEMENT (“Agreement”) is made and entered into this ____ day of November 2023 by and between the **PUBLIC UTILITY DISTRICT NO. 1 of WHATCOM COUNTY**, 1705 Trigg Road Ferndale, WA 98248, hereinafter called the "Whatcom PUD" and IVOXY Consulting, having an address of 11335 NE 122nd Way, Suite 105; Kirkland, WA 98034, hereinafter called "Consultant," for a project generally described as:

Consultant’s general scope of services will include the performance of tasks focused on maintaining and improving the cybersecurity, IT infrastructure, and cloud solutions associated with Whatcom PUD’s systems related to its electric and water operations and administrative services.

WHEREAS, Whatcom PUD wishes to obtain technical consulting services related to IT security, cloud solutions, and IT infrastructure for its electric and water utilities and administrative services; and

WHEREAS, Consultant has expertise in providing such services and desires to perform such services for the Whatcom PUD; and

WHEREAS, the selection of the consultants, including the Consultant herein, were made after the completion of a process that complied with all provisions of Federal, State, and local laws concerning selection of professional services.

NOW, THEREFORE, for and in consideration of the promises and the mutual covenants set forth herein, the parties agree as follows:

1. **Scope of Services.** The specific assignments for the Consultant will be identified from time to time by Whatcom PUD. The Consultant will prepare and submit to Whatcom PUD a proposed Work Order which shall include the proposed scope of services and fee estimate for the proposed assignment. If acceptable, Whatcom PUD will execute the Work Order for the specific assignment. The scope of Work Orders is hereinafter referred to as “Work”. Services of the Consultant shall conform with the standard of care applicable to professionals providing similar such services in the State of Washington. All Work Orders must be approved in writing and approved in advance by the Commission and/or General Manager of Whatcom PUD. The terms and conditions of this Agreement shall apply in all Work Orders approved by the Whatcom PUD, unless a Work Order contains terms and conditions different than those provided herein. Any Work Order and this Agreement shall be interpreted to give full meaning to all provisions. In the event that any provision of this Agreement is in conflict with any provision of an approved Work Order, the more specific shall control, and if a conflict still exists, then the Work Order shall control the specific conflicting provision

2. **Term.** The term of this Agreement shall commence on execution of this Agreement until all tasks associated with the scope of services herein, as may be amended, have been

completed by Consultant or **December 31, 2025**, whichever is sooner, unless terminated earlier as provided herein.

3. **Termination.** Whatcom PUD reserves the right to terminate this Agreement at any time by sending written notice of termination to the Consultant. The notice shall specify a termination date at least fourteen (14) calendar days after the date the notice is issued. The notice shall be effective upon the earlier of either actual receipt by the Consultant (whether by fax, mail, delivery or other method reasonably calculated to be received by the Consultant in a reasonably prompt manner) or three (3) calendar days after issuance of the notice. Upon the notice date, the Consultant shall immediately commence to end the Work in a reasonable and orderly manner. Unless terminated for the Consultant's material breach, the Consultant shall be paid or reimbursed for: (a) all hours worked and eligible expenses incurred up to the notice date, less all payments previously made; and (b) those hours worked and eligible expenses incurred after the notice date, but prior to the termination date, that were reasonably necessary to terminate the Work in an orderly manner. The notice shall be sent by the United States Mail to the Consultant's address provided herein, postage prepaid, certified or registered mail, return receipt requested, or by hand delivery. In addition, the notice may also be sent by any other method reasonably believed to provide the Consultant actual notice in a timely manner, such as fax. Whatcom PUD does not by this Section waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provision of this Agreement. At its sole option, Whatcom PUD may deduct from the final payment due the Consultant (a) any damages, expenses or costs arising out of any such violations, breaches, or non-performance and (b) any other back charges or credits.

4. **Compensation and Payment.** Whatcom PUD shall pay the Consultant only for completed Work and for services actually rendered which are described in each Work Order. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment and incidentals necessary to complete the Work. The Consultant shall obtain the prior written approval of Whatcom PUD for any charges for additional services by the Consultant, the additional services of others retained by the Consultant, or the furnishing of additional supplies, materials or equipment. The Consultant shall not be entitled to compensation for any such additional charges incurred in violation of this paragraph.

4.1 The Consultant shall submit monthly statements, including project budget status and a narrative progress description of services rendered in a form and in such detail as requested by Whatcom PUD. Whatcom PUD shall make prompt monthly payments for work completed to the Whatcom PUD's satisfaction and billed before the first day of the month. Whatcom PUD shall review and consider for approval all bills submitted one week prior to a regularly scheduled meeting of Whatcom PUD Commissioners. After approval of the Consultant's statement of bill, Whatcom PUD shall forward the approval to the County Treasurer for payment in the normal course of events. In no event shall Whatcom PUD be charged interest on payments due under this Agreement. Whatcom PUD shall not be obligated to pay for services deemed unsatisfactory.

5. **Compliance with Laws.** All Federal, State and local laws applicable in the rendering of the services by the Consultant shall be complied with in all respects by the Consultant, as shall all rules and regulations of Whatcom PUD and any other governmental agency. The Consultant shall register, as required by RCW 23B.15.010, to do business in the State of Washington and provide proof of the same to Whatcom PUD.

6. **Project Management.** Whatcom PUD's designated representative may at any time issue written directions within the general scope of this Agreement. If any such direction causes an increase or decrease in the cost of this Agreement or otherwise affects any other provision of this Agreement, the Consultant shall immediately notify the designated representative in writing and take no further action concerning those written directions until such time as the parties have executed a written change order. No additional work shall be performed or charges incurred unless and until Whatcom PUD approves in writing the change order and the increased cost thereof. Any work done in violation of this paragraph shall be at the sole expense of the Consultant.

7. **Recordation of Documents Affecting Title.** Prior to the execution or recordation of any documents affecting title to any property, the said document shall be reviewed by Whatcom PUD. Whatcom PUD shall be responsible for all costs associated with such review.

8. **Conflict of Interest.** Consultant covenants that it presently has no interest and shall not acquire an interest, directly or indirectly, which would conflict in any manner or degree with its performance under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having such interest shall be employed by it or any of its subcontractors.

9. **Insurance.** Consultant shall procure and maintain during the term of this Agreement the following insurance:

a. Comprehensive general liability policy covering all claims for personal injury (including death) and/or property damage arising out of Consultant's services. The limits of liability shall be not less than One Million Dollars (\$1,000,000) for each occurrence and in the aggregate unless Whatcom PUD approves in writing a lesser limit.

b. Automobile Liability Insurance covering all owned and non-owned automobiles or vehicles used by or on behalf of Consultant. The limits of liability shall be not less than One Million Dollars (\$1,000,000) for each occurrence and in the aggregate unless Whatcom PUD approves in writing a lesser limit.

c. Workers Compensation Insurance as required by law.

9.1 The foregoing insurance policies shall name Whatcom PUD as an additional insured. Consultant shall provide two (2) certificates of insurance and, if requested, copies of any policy to Whatcom PUD. Receipt of such certificate or policy by Whatcom PUD does not constitute approval by Whatcom PUD of the terms of such policy. Furthermore, the policy of insurance required herein shall: (i) be written as a primary policy; (ii) expressly provide that such insurance may not be materially changed, amended or canceled with respect to Whatcom PUD

except upon forty-five (45) days prior written notice from the insurance company to Whatcom PUD; (iii) contain an express waiver of any right of subrogation by the insurance company against Whatcom PUD and Whatcom PUD's elected officials, employees, or agents; (iv) expressly provide that the insurance proceeds of any loss will be payable notwithstanding any act or negligence of Consultant which might otherwise result in a forfeiture of said insurance; and (v) in regard to physical property damage coverage, expressly provide that all proceeds shall be paid jointly to Whatcom PUD and Consultant.

9.2 If Consultant fails to procure and maintain the insurance described above, Whatcom PUD shall have the right, but not the obligation, to procure and maintain substitute insurance and to pay the premiums. Consultant shall pay to Whatcom PUD upon demand the full amount paid by Whatcom PUD, or Whatcom PUD may offset such premiums against amounts to be paid to Consultant.

10. Indemnification. Consultant shall indemnify and hold Whatcom PUD harmless from and against all costs and losses, and all claims, demands, suits, actions, payments and judgments, arising from personal injury or otherwise, brought or recovered against Whatcom PUD by reason of any negligent act or omission of Consultant, its directors, officers, agents or employees in the performance and execution of the Services hereunder, including any and all expenses, legal or otherwise, incurred by Whatcom PUD or its representatives in the defense of any claim or suit.

11. Confidentiality. Any reports, documents, questionnaires, records, information or data given to or prepared or assembled under this Agreement which Whatcom PUD requests to be kept confidential shall not be made available by the Consultant to any individual or organization without prior written approval of Whatcom PUD, except as may be ordered by a court of competent jurisdiction. The provisions of this section shall survive the expiration or earlier termination of this Agreement. No reports, records, questionnaires, software programs provided by Whatcom PUD or other documents produced in whole or in part by the Consultant under this contract shall be the subject of an application for copyright by or on behalf of the Consultant.

12. Property of District. All Plans, Reports, Documents, Photographs, Drawings, and Specifications that are generated by the Consultant for Whatcom PUD under this contract are and shall remain the property of Whatcom PUD whether the Project for which they are made is executed or not. In the event of any dispute arising between the parties to this Agreement, any such dispute shall be submitted to binding arbitration as provided herein. The parties shall select an independent and unbiased arbitrator who is not affiliated directly or indirectly with either party within ten (10) days after any party demands arbitration. If the parties fail to select or cannot agree upon an arbitrator within this time, then they shall make application to the Superior Court of Whatcom County, pursuant to RCW 7.04 *et seq.*, for an order appointing an arbitrator.
